**Questions/Corrections 3/17/11**

- 1. **Q)** Rear wheels and tires: you are asking for Goodyear 12R24.5-16 ply G177 tires but do not specify wheel size. I am thinking you want 24.5" x 8.25 but the approved wheel would initially show as a 24.5" x 9.0" which can create over width and turning issues when used in tandem on the rear.(page 11)
  - A)** The size shall be 24.5" x 8.25
- 2. **Q)** Page 10: you are asking for a "wide ratio" Allison 4000 RDS transmission: I think you mean the 4500 RDS which is "wide ratio" and the 4000 RDS is a "close ratio."
  - A)** Allison 4000 RDS **close ratio** is correct.
- 3. **Q)** Page 11: you are asking for heater/defroster. Just want to be sure you meant to NOT include air conditioning.
  - A)** The Unit should have a standard A/C package.
- 4. **Q)** I do not see anything in the chassis portion asking for snow plow light pre wiring?
  - A)** No plow light wiring.
- 5. For technical questions contact Fleet Manager, Emil Castro, 860-489-2349, [emil\\_castro@torringtonct.org](mailto:emil_castro@torringtonct.org) ; for administrative questions, Purchasing Agent, Pennie Zucco, 860-489-2225 [pennie\\_zucco@torringtonct.org](mailto:pennie_zucco@torringtonct.org).
- 6. Section G, item 14 is missing

Add #14. Auxiliary Harness 3.0' for Auxiliary front head lights and turn signals for FRONT PLOW APPLICATIONS
