### **NOTICE TO CONTRACTOR – MATERIALS TESTING AND BUY AMERICA REQUIREMENTS**

The City of Torrington will be responsible for all materials testing for this project. The testing will be performed in accordance with the Connecticut Department of Transportation Standard Specifications, Form 816 by a certified laboratory.

All Buy America requirements referenced under Connecticut Department of Transportation Standard Specifications, Form 816, Section 1.06.01 must be satisfied.

The City of Torrington will be responsible for issuing a materials certificate stating the overall conformance of all the materials permanently incorporated into the project at the conclusion of the project. Any nonconforming materials permanently incorporated into the project must be itemized on the certificate.
