Addenda #2:

Clarification to Addendum #1:

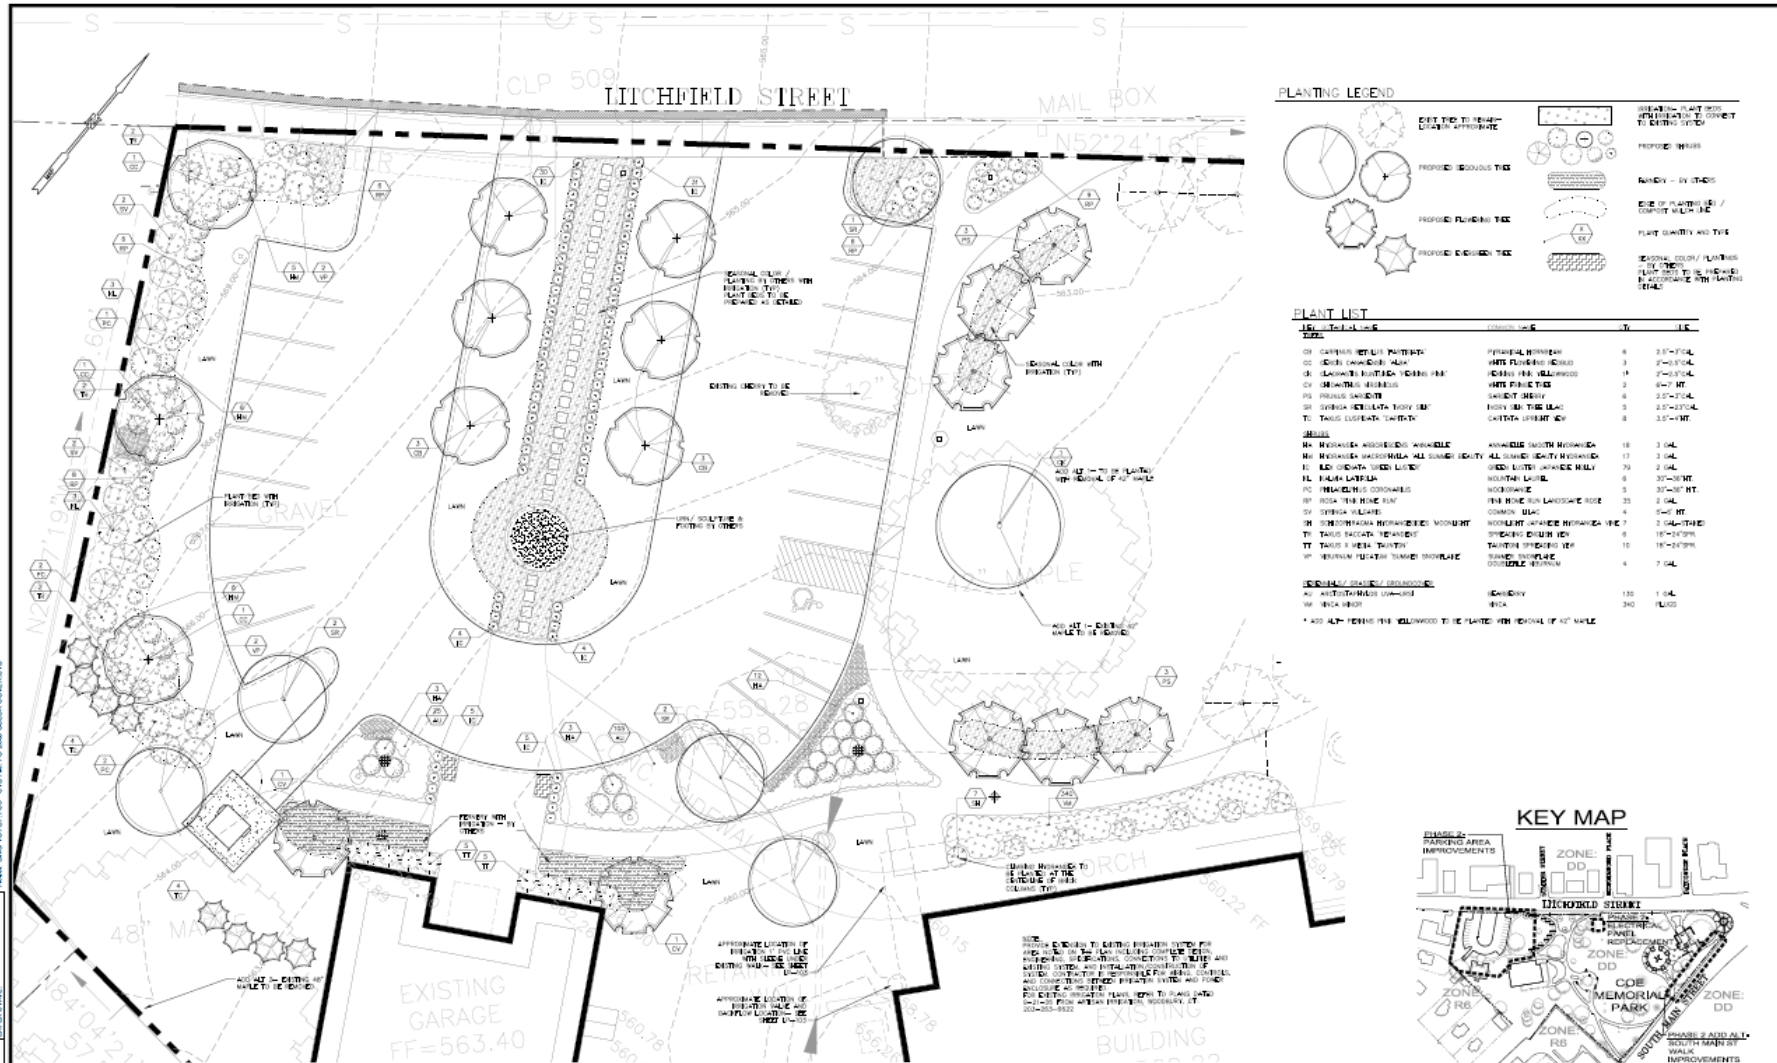

Addendum #1 - Q5) Would you be able to give me an idea of how many hours per week the current gardener uses for maintenance from March-October? A rough average would be okay.

Addendum #1 - A5) The current contractor completed approximately 1280 staff hours to complete the tasks outlined in the contract.

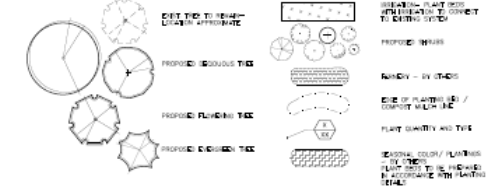

****Note: The current contractor completed approximately 1280 staff hours to complete the tasks outlined in the contract during 2012. These hours did not include hours to maintain the new garden areas referenced in Exhibit B, as they did not exist at this time.

Exhibit B RFP

(Please Note: Construction of the area in Exhibit B was completed in 2013. The plants shown on this plan were installed during the construction with a few minor changes. There are several garden areas to be planted "by others". All areas are to be maintained in accordance with the contract.)
