**QUESTIONS AND ANSWERS 6/26/15:**

**Q1)** These tables will ship directly from the factory and we will account for the cost of freight to your dock. Will we have to bring these tables to a final destination or is delivery to the dock ok? These tables do not require assembly but they will need to be removed from a box and the legs folded down.

**A1)** The tables will need to be delivered, unloaded and set-up in the Sullivan Senior Center, 88 East Albert Street, Torrington, CT 06790. All packaging material shall be disposed of by the awarded contractor. Use of Sullivan Senior Center dumpsters of trash containers for disposal is prohibited.

**Q2)** The instructions say a bid bond will be required. This bid will probably only be around \$10k. Is a bid bond still be required for this size project?

**A2) Yes**
