CHANGED SPECIFICATIONS
BID #WRH-032-070303

The City of Torrington is seeking sealed bids a Water Reel with a 9 HP Honda booster pump or equal capable of furnishing water for a soccer field and BMX bike track.

The Water Reel shall meet or exceed the following:

Flow GPM	Inlet pressure PSI	Sprinkler		Irrigated Area				Inches Depth of Application Travel Speed - Feet Per Hour					
		Press. PSI	Wetted Dia. Ft	Width Feet	Length (Max) Ft	Area Acre	Acres w/1" in 5	0.3	0.5	0.75	1.0	1.25	1.5
55	57	20	196	157	414	1.49	14	99	59	39	30	27	20
66	60	40	207	166	419	1.6	17	112	67	45	34	27	22
78	63	40	216	173	424	1.68	20	127	76	51	38	30	25
91	68	40	224	179	428	1.76	24	143	86	57	43	34	29
115	87	50	249	199	440	2.01	30	162	97	65	49	39	32
136	117	70	276	221	452	2.29	36	173	104	69	52	42	35
155	127	70	288	230	458	2.42	41	189	113	76	57	45	38

System will include Dual Entry kit (Engine by-pass).

System must operate unattended and shut off automatically.

Vendors shall submit sales literature detailing the specifications and features of the proposed model(s). Vendor may submit multiple bids for various models that meet or exceed the above specifications so long as the 5% bid bond covers the cost of the highest priced model proposed.
