SPECIFICATIONS

RFP #SMP-013-123004

The City of Torrington has recently acquired a 36 acre parcel of land along Winsted Road at Machuga Drive and is preparing for the clean up and development of the property as a public park. The property had been used in the past as a farm and has a number of old farm implements, machinery, tools and other odds and ends on site that need to be removed as well as two houses, one barn and a number of smaller out structures.

SCOPE OF WORK:

The scope of work is to remove all items and/or materials with value from the site prior to demolition and removal. The work will be divided into two separate phases:

PHASE 1. Removal of any desirable items on the property or within any of the structures with the exception of the lumber in the large barn (approximately 1,140 sq. ft.) and any attached fixtures or hardware on any structure. The work under this section shall be completed no later than January 22, 2005. (weather permitting)

PHASE 2. Dismantling and removal of all materials associated with the existing structures and all stored lumber. Including but not limited to – barn beams and posts (hand hewn and machine cut), weathered barn wood, hardware, fixtures and stored lumber in the largest barn. This work would start after phase 1 is completed and shall be completed no later than February 28, 2005 (weather permitting).

SITE REVIEW:

The site will be open for review on December 20, 2004 from 1:00pm to 3:00pm. Anyone wishing to submit a proposal for salvaging rights is welcome to walk the property at that time. Staff from the City will be on hand for any questions. This will be the only time you will be allowed on site prior to the contracted period. Police patrol this property and anyone found on site outside of this timeframe will be charged with trespassing (this is necessary in order to protect the items you will be bidding on).

CONDITIONS:

Within 5 business days of award of the RFP, the contractor shall submit payment in full to the office of the Purchasing Agent, Room 109A, 140 Main St., Torrington, CT 06790. Payment shall be in the form of a certified or bank check made out to "City of Torrington".

In all cases, the site shall be left in an orderly and safe condition. The awarded contractor shall provide on-site dumpsters for the disposal of material removed but not taken. Only material generated at this site may be placed in the dumpsters. It is the contractors' responsibility to utilize the dumpsters and keep the site clean in "broom clean" condition.

If weather restricts the ability of the contractor to complete the dismantling and removal within the stated timeframe, a written request for time extension shall be submitted to the City of Torrington a minimum of five days before the deadline for approval.

The hours of operation shall be from 8:00 am to 6:00 pm, Monday through Saturday.

REFERENCES:

A minimum of three (3) references, including contact name, address, and phone numbers, where contractor has performed similar work shall be submitted with the proposal. Failure to submit reference list is cause for rejection of the proposal.

LIQUIDATED DAMAGES:

The awarded contractor shall pay the City of Torrington a fee of \$500 per day for failure to complete the project by the dates specified for reasons other than Force Majeure (*Acts of God*)

EVALUATION CRITERIA:

Many factors can influence the selection of a contractor. In this case the primary evaluation criteria shall be amount of money the contractor is willing to pay to The City of Torrington for the right to salvage and remove material from the Muchuga property. Other examples of evaluation criteria are the quality of the references provided, the contractor's ability and equipment available to the contractor to complete the work outlined above.

SUBMITTAL OF PROPOSALS:

Proposals shall be submitted no later than 10:00 am December 30, 2004 and should be delivered to Charlene Antonelli, Purchasing Agent, Room 109A Floor, City Hall, 140 Main Street, Torrington. Proposals received after this time will not be opened or considered.

It is anticipated the RFP will be awarded by the City Council at their January 3, 2004 meeting. If the award is delayed the dates of completion will be adjusted accordingly.
