## **EAST TORRINGTON SEWER REHABILITATION PROJECT: SEWER REPLACEMENTS**

TORRINGTON, CT 06790

The City of Torrington Water Pollution Control Authority has awarded the East Torrington Sewer Rehabilitation Project: Sewer Replacements to True Blue Environmental Services. The project consists of direct replacement of approximately 3,400 feet of aging sewer infrastructure at the following locations:

Louis Circle to Albrecht Road Right of Way  
Benporte Terrace  
Carriage Lane Right of Way  
Clearview Avenue  
Edgewood Drive  
Harvard Drive to Edgewood Drive Right of Way  
Harvard Drive  
Kennedy Drive Right of Way  
James Street  
Torrington West Street  
Windtree Street Right of Way

True Blue is expected to begin the project on June 1, 2014, it is expected the project will take approximately 120 days.

Residents that will be affected by this project will be notified by True Blue Environmental Services when they will commence operations in your area. We do not anticipate interruptions in sewer service during this project; you may be asked to temporarily suspend your use of water while your sewer lateral is reconnected to the new mainline.

Work in the sewer right of ways may require the removal of trees and shrubs all right of ways will be restored to a grass surface, trees and shrubs will not be replanted.
