SELECTMEN  
MEETING  
MINUTES**

**April 14, 2014**

Police Station, School Street, Training Room

Chairman Kenneth Picard, Selectman James Brochu, Town Manager,  
Blythe C. Robinson

1 The meeting was called to order at 7:15pm

2

3 The Selectmen joined the Finance Committee at their regularly scheduled meeting to discuss the  
4 FY 14/15 budget. The board discussed the details of the budget with the committee, including a  
5 review of wages, the various articles and proposed revenues. The board concurred with the  
6 Finance Committee to present in Article 3 at Town Meeting a general fund operating budget for  
7 FY 14/15 of \$18,345,649.

8

9 The Board observed the discussion by the Finance Committee as to the Committee's position on  
10 all of the articles on the warrant. The Committee asked the Selectmen their position on the  
11 Library Trustees request for funding to conduct a feasibility study for a new Library. Selectman  
12 Picard indicated that he believed the voters deserved the opportunity to vote on whether or not  
13 they'd like the Town to pursue a new facility. Selectman Brochu concurred. The Finance  
14 Committee went on to vote favorable action on all articles except # 25 and 37, and said they  
15 would wait on those until Wednesday night after the bid opening for the police station repairs.

16

17 At the conclusion of the Finance Committee's meeting the Board discussed the Little Town Hall  
18 meeting room and the technology to be installed when the Town Hall is complete. They  
19 expressed concern that the one monitor to be put in would not be sufficient for presentations, and  
20 its location not ideal for both a board and the public to view the screen. Ms. Robinson said she  
21 would look into this further.
