Capital Budget Committee Meeting Minutes

March 19, 2012

Location: Poirer Land on South Street

Present: Frank Aniello, Jonathan Calianos, Ken Glowacki, Bob Varney

The Meeting was called to order at 5:30 PM

This meeting was scheduled to commence at the Town Hall and then to go to the Poirer Land.

We were met by Recreation Commissioners Richard Gazorian and Paul Pirozzi at the land and they conducted the tour. We walked the land and viewed the 69 acres. The land had been mined for gravel and other products and had been stripped of all of the top soil. Some of the land falls into the watershed but it wasn't apparent by viewing the land what was watershed. It is apparent by viewing the land that much is needed to develop the land for recreation use including replacing the top soil and bring in three phase power. A more detailed project plan is required to identify all of the project costs.

Meeting Adjourned at 6:20 PM

Respectfully submitted,

Robert Varney

Secretary to the Committee
