

Minutes for November 7, 2013

Mary, Rich, Rick, Paul

1) review of financials -

2) Holy Angels - Bill McCormick investigating any interest level in town purchasing the church with combined groups like library, senior center, Rec Com (community center). Pricing is roughly \$300k but needs lots of cash infusion for repairs, cosmetic improvements, etc. On town water & sewer. Roughly \$10-12k in annual expenses for heat, electric, etc. .We told Bill there would be interest in us renting space for programs but would not have any interest in investing in the purchase.

3) We are requesting office space at new Town Hall for Rec Comm Director

4) Charter Internet Service - coming hopefully end of year! Charter working with Jeff & Blythe on scheduling that. Meantime, AT&T is discussing bringing fiber optic to town buildings, which may change the landscape.

5) Memorial Rink - STM on November 19th to approve CPA funding and work will begin immediately! Must be done before Thanksgiving when the asphalt plants close. Money has already been appropriated, we just need final town vote.

6) new Core Program starting at Nipmuc next month. STEM program still being researched but first instructor only wanted to pay us only \$10/kid. Mary still researching possibilities. Basketball program at Memorial for Tue or Thur.....Mike Bertrand will organize and his son will be timekeeper. Mary checking on school availability.

7) Tree of Hope donation of time for St Gabriel Christmas Festival on December 7-8. Rec Com approved hiring Kids@Play employee to staff

8) Pavilion - looking good.....forms are in and the steel is being erected by Jeff Rogers before end of the month.

Next meeting is December 12th @ 7:00

Meeting adjourned @ 8:10 pm
