

Rec Com

Attendees Rich, Paul, Mary

January 16, 2014

Financials - Police Youth Rec Nights is now officially a Rec Com program. Mary will include all the info on attendees, costs, etc

Senior Concert Series - summer program coming in 2014, Mary working on acts and venues

Instructors of Rec Com programs will now be required to sign a form, agreeing that they will not solicit their services thru Rec Com, cannot use mailing list or use social media targeted to our patrons for their benefit!

Rich/Mary are meeting with Blythe to discuss future usage at the "new" Town Hall, once renovations are complete. We continue to be squeezed for space and we need to stress importance of Rec Com getting priority on space availability.

Zumba - having some issues with holding it at Nipmuc when school kids are still there. Dana Aniello has offered her Dance Studio as an alternative for the Mon-Wed 3:30 class.....free of charge to us. We are going to use on a trial basis to see if he attracts more customers.

CPA funds - need to get all quotes in by February for basketball/tennis court resurfacing, parking lot @ Kiwanis, etc. All quotes should be in Feb 5th CPC meeting so we can hold public meeting. Also looking at video equipment for indoor/outdoor usage at Kiwanis for movies, etc.

Charter Communication - Internet service all set at Ramsey and we have quote to add public wifi add-on to the service. Will review

Pilates request - instructor looking for roughly \$100 worth of supplies.....approved by Rec Com

Pavilion - proceeding well. Lumber has arrived and columns are poured/erected. Construction will proceed and remains on schedule for spring completion.

Memorial Shed - Mary soliciting Scout volunteers to build this on site

on the new field. Building permit already pulled.

Spring Usage Requests:

*Ramsey family looking to reserve a weekend day in July for large family reunion. They will pay \$10/car for parking and will not have exclusive use of beach. For use of field and Ramsey Bldg we agreed to charge \$100, which is discounted due to the contribution to the town (Ramsey Bldg)
