

Recreation Commission Meeting Minutes

November 25, 2014

Attendees: Rick Lacrosse, Rich Gazoorian, Paul Pirozzi, Debbie Amorelli

Meeting started at 6:12 pm in Ramsey Building at Kiwanis

Second Interview was conducted for Rec Director Position with Bonnie Flink. We had requested that she bring several pieces of material with her including sample of Rec Com Program advertisement, example of brochure she had completed in her past, list of interview questions for hiring counselors/aids and an overall review of the Rec Com web site with recommendations/suggestions for improvement. Bonnie brought all of these pieces with her and we reviewed them as a group.

Some specific areas were discussed including organization, hiring experience and confirmation that this position is currently part time only.

After completion on interview, Bonnie was dismissed and the Rec Com/Debbie discussed all these factors and reached unanimous conclusion to offer the position to Bonnie. Debbie is going to give us sample template/questions to ask of the references we were assigned to call and Rich will work with Blythe on formalizing the offer to Bonnie.
