Complaints:

9:30 a.m. James Smith recused himself.

The remaining Board members discussed odor complaints the Board received regarding the Chocolog Road reclamation project. The large pile of manufactured topsoil will be made in to smaller "windrow" piles and then covered with ash, to cut down on odor. When the piles are disturbed and at the end of the work day ash will be re-applied to the piles. There may be intermittent unavoidable odor.

The balance of complaints were reviewed and discussed.
