October 26, 2009

I thank the Chairman for the opportunity to publicly and sincerely offer my apologies to the community and to any and all who were offended by my recent comments. After several weeks of reaching out to others in the community, self-reflection and discussion with my children, I have come to the conclusion that this is not an error which will prevent my working effectively on behalf of our community. I have learned a valuable lesson or two which will, in fact, make me an even better Selectman. Many people in the community were kind enough to point out to me that my comments were in fact a response to comments made by my colleague Selectman Robertson and yet she was not chastised or attacked for her position. While I consider what we both said, in hindsight, to have been impulsive and poorly worded, I also think that it is clear that the attacks on me were motivated by partisan politics and by opposition to the school building project. This can be the only explanation for why Selectman Robertson's comments were completely ignored. I will continue my commitment to public education and to the overall well-being of our community, but I will also work harder to be less impulsive and more thoughtful during our deliberations and discussions. I was not born a Selectman and I am learning.

I acknowledge that those who oppose me are motivated by hatred and that comments on local discussion boards are proof of this.

I acknowledge that my home is in foreclosure. I am a single mother of two children trying to hold things together in my private life WHILE serving my community and that the need for a high school transcends even MY personal financial problems. IRONICALLY, I am being attacked here and on the Internet by SOME people who are far better off than I am financially and are accusing ME of selfishness when my personal financial situation is so dire. My position on the school is about what is in the best interests of this town, not about my personal

needs or wants. My son will never see the new high school and my daughter probably won't either. Again, this is not an issue of personal benefit to me.

I welcome all citizens to reach out to me, via phone or email, as your opinion is important to me. My phone number is publicly listed and my email is on the Town website.

Again, I am truly sorry for having offended anyone.

Clerk Selectman

**WE THE UNDERSIGNED CITIZEN'S OF UXBRIDGE
RESPECTFULLY REQUEST SELECTMAN BETH PITMAN
TO RESIGN IMMEDIATELY FROM THE BOARD OF
SELECTMEN. HER PERSONAL PROBLEMS WITH
AUTHORITIES AND THE REQUIREMENT TO REPORT
TO THEM ON A REGULAR SCHEDULE COUPLED WITH
THE RECENT DISRESPECT FOR SENIOR CITIZENS
DEMONSTRATES A WOEFUL LACK OF JUDGEMENT.
COMMENTS SUCH AS, "SENIORS, IF YOU CAN'T PAY
THE TAXES, MOVE." SELECTMAN PITMAN WAS
ELECTED TO REPRESENT ALL OF THE CITIZENS
OF UXBRIDGE AND HAS DISMISSED A SEGMENT
OF THE POPULATION.**
