**Motion made by Beth to accept the Minutes of 20 JUN 2017 Meeting Minutes and seconded by Roy. Motion passes 5-0.**

**OLD BUSINESS:**

**Accounts/Trusts Update & Review:**

- Account balances are up to date as of 31 MAY 2017. Newer statements from Town of Uxbridge have not been posted to the website; nor has the Chairman been able to get the statements from the Town Accountant's office.
- Joseph Richardson Cemetery Restoration Update – money will be held in account until we are able to work out some type of agreement to use the access to get into the cemetery.

**NEW BUSINESS:**

**Summer Mowing and Maintenance:** Discussion of cemetery mowings and maintenance: Several cemeteries need more mowings this year because of all the rain. AND the poison ivy is growing all over some cemeteries.

**Motion made by Beth Butler to pay for all mowings until the end of the growing season – including extra mowings at Norden, Quaker City, and Daniels. Seconded by Roy Henry. Motion passes 4-0-1 (Sheryl Romasco Abstains)**

**Poison Ivy Control:** Posion Ivy is rampant at several cemeteries. Since the time to kill poison ivy for this year has gone by... Beth Butler and Sheryl Romasco will get quotes to be presented at the first meeting in 2018. George Aldrich and Daniels are the worst at this point.

**Schedule of Next Meetings/Events:**

- **No meetings until spring 2018**

**Motion made by Mary to adjourn the meeting at 11:43 PM. Motion seconded by Bill. Voted Unanimous, 5-0.**
