Minutes of the 5 JUN 2018 U.H.C.C. were passed over. Secretary not in attendance.

OLD BUSINESS:

Accounts/Trusts Update & Review:

- Account balances are up to date as of 30 JUN 2017. Town statements through 30 JUN 2018 are still being reviewed. The General Fund has an extra \$72.78 in it at this point and that has been attributed to interest. However, the account is not an interest bearing account. The Chairman will attempt to reconcile all accounts at the end of the summer mowing season
- Joseph Richardson Cemetery Restoration Update – money will be held in account until we are able to work out some type of agreement to use the access to get into the cemetery.

NEW BUSINESS:

Summer Mowing and Maintenance: Harry Romasco and Dick Johnson will complete the work for this year.... New maintenance person(s) will be needed for the 2019 season. Discussion of who might be a good resource to ask for help – DPW, lawn service companies?? More discussion will be needed.

Poison Ivy Control: Mark Johnson has sprayed 5 of the cemeteries. Beth has checked and the poison ivy seems to be gone. One more spraying will be done in early September to make sure it is eradicated. Cost not to exceed \$700.00

Motion made by Roy to pay for second spraying. Motion seconded by Mary. Voted Unanimous, 4-0.

Recruiting new members: The committee needs to get new members! More discussion at next meeting.

Schedule of Next Meetings/Events:

- **20 NOV 2018**

Motion made by Beth to adjourn the meeting at 11:37 PM. Motion seconded by Mary. Voted Unanimous, 4-0.
