Treasurer's Report included discussion of Expense Report. Motion to accept made by Jack Daley seconded by Edwina Porter carried.

Old business discussion centered around Expense Report and Budget needs and considerations for 2017-2018. Most pressing are anticipated transportation needs, facility space needs and funding for staff. There is much dependence on donations and Uxbridge Elderly Connection to supplement financing of senior center services. This fluctuates from month to month and while it has increased somewhat due to increased attendance, the meals program and other services need stable, budgeted, additional funding that is provided by the municipality.

Planning and work continues on Patio Garden led by Ken Tavares.
