Old Business:

No news on patio project except that if we work with Boy Scout Troop 25, Uniblock will discuss providing patio blocks in the spring. A meeting is planned in January after the holidays.

Uxbridge Senior Academy is continuing to plan seminars. Computer classes are planned to begin in January utilizing student volunteers on Tuesdays from 3-4.

It was noted that computer equipment is not in good shape and an appeal might be made to Uxbridge Elderly Connection for improving our computer station.

Halloween Party was a big success. (Attended by Kevin Kuros and Ryan Fattman)

New Business:

Empty Lot Next to Senior Center

*The owners of land next to senior center described the events since the fire three years ago. They expressed an interest in selling the property with a preference to selling it to the town for use for the senior center in whatever way suits it. The Council listened with interest since it would encourage obtaining the property for senior center use as a parking lot considering construction of new fire dept. complex across the street has taken away parking area for the senior center use. It is our intention to pursue this topic.

Meeting Postings:

A public body must post notice of the date, time and place of a meeting at least 48 hours in advance of said meeting, excluding Saturdays, Sundays, and legal holidays. The notice must include a list of topics the chair reasonably anticipates will be discussed at the meeting, specific enough so that the public can understand the agenda. Once posted, notice may be updated with additional topics, but only if re-posted 48 hours in advance of the meeting in the same manner as above. If a sudden, generally unexpected set of circumstances demands immediate action by a public body, an "emergency" meeting may be held, and notice shall be posted as soon as possible prior to said emergency meeting.
