New Business:

Discussion with Angie Ellison, Town Manager about future of the Uxbridge Senior Center and its search for new director. A panel will screen applicants and recommend those for interview. Hopefully a replacement will be hired by July 1.

Some concern was expressed to Ms. Ellison regarding failure of new senior center parking lot area to be included in parcel set for paving with new fire department parking lots. This is still a priority and is a goal. Ms. Ellison expressed a desire to find a special "identity" for Uxbridge and looks toward the "big picture" for our community.

Adjourned 5 PM

Respectfully submitted
