MEETING MINUTES

July 21, 2015

Meeting opened by President J Francis Cove at 3:15pm

No meetings were held in May or June 2015 because no correspondence, new or old business to discuss. Accepted and seconded. Motion carried.

Members present: J Francis Cove, Shirley Maynard, William Albin, Peter Emerick, Roy Henry and Linda Bradley. Member absent: Faye McCloskey.

New Business:

1. A brief presentation was given by member Peter Emerick regarding Roger Williams University's Historic Preservation Program. The program can identify value of structure, general nature of historical value, etc. A complete overview is conducted. There is also grant funding support for projects. The program is formalizing requests in September 2015 to present to the Dean of the University for inclusion. It was suggested we give a tour of the Farnum House for possible inclusion in the program. Peter will continue to follow-up with the University for more details.

3. A brief discussion ensued regarding the plans for the vacant lot next door to the Farnum House. Peter Emerick will contact the Trust to schedule a meeting with them in the future.

No further business was brought forward and there was no correspondence received. A motion was made, seconded and approved to adjourn. Meeting was adjourned at 4:00pm.

Respectfully submitted,
