MEETING MINUTES
June 21, 2016

AUG 8 '16 AM 9:01

Members present: Francis Cove, Peter Emerick, Mary Dolan, Roy Henry, Linda Bradley, William Albin. Member absent: Faye McCloskey

Meeting called to order at 3:10pm

Minutes from May 17, 2016 were read. No discussion. Motion made to accept, seconded and passed.

Old Business:

1. Francis Cove spoke to Town Manager again regarding the structural and foundation repair of the Farnum House. It is important that the structural repair be completed by a professional who has expertise in restoration work. The Town Manager is working on the method to appropriate necessary funds for the upcoming fiscal year.

The Commission discussed completing restoration to maintain the building while keeping the historical value intact. Francis Cove will contact Architectural Preservation Group for more detailed information of the costs involved. Peter Emerick will contact another preservation individual, David Stevenson of Sutton, MA, to assess the building.

All members present agreed the Commission needs to get the building structurally sound, replace windows and repair wiring issues within.

New Business:

1. Mail was opened and read. A letter was received from Worcester Revolution of 1774 inviting us to join in a celebration on Sunday, October 2nd from 1pm-5pm in downtown Worcester. It was suggested this letter be turned over to the Historical Society. No action was taken.
2. Roy Henry informed the Commission of All American Flag on Route 9 in Shrewsbury, MA as being the place for flags all made in the USA.
3. No other new business was brought forward.

Vote to adjourn, seconded and passed. Meeting adjourned at 4:15pm.

Respectfully submitted,

Linda Bradley
