Old Business:

1. It was reported by Francis Cove that the repairs on the original estimate from Architectural Preservation Group did not include the bowing of the east and west side walls. The cost to repair the bowing is \$14,847. The total cost to repair and restore the Farnum House is now \$75,867.

Francis Cove spoke to the Town Manager about the cost and he recommended getting at least 1 additional estimate. Francis Cove has contacted Old New England Restoration Inc of Hopedale, MA to obtain an estimate. He met with them at the Farnum House and is awaiting the written estimate. Peter Emerick also met with a restoration contractor from Sutton and is waiting on the estimate from him.

2. Roy Henry gave update on the Richardson Cemetery vandalism. He reported that cameras are to be installed with the cost to be shared with donations from Trans Canada, Eversource and from the cemetery accounts. The Storrs, CT group will start repair of the smaller stones in September or October.

New Business: There was no new business brought before the Commission or mail received.

Motion made to adjourn, seconded and passed. Meeting adjourned at 4:15pm.

Respectfully submitted,

Linda Bradley
