A motion was made by Ms. Haskell to take out of order the application for a sign permit at Koopman's Lumber. Ms. Marion Baker seconded and the motion passed unanimously. The Commission then reviewed the design of the proposed sign on Douglas Street and a proposal to move the existing sign to the parking lot side of the building. During discussion, Ms. Travis Baker expressed reservations about the second installation. The motion passed 4-1-0 with Ms. Travis Baker voting no.

Mrs. Keegan offered the Commission a reformatted version of the proposed Signage Regulation. Ms. Marion Baker moved to table the revised regulation to allow members time to review. Ms. Haskell seconded and the motion passed unanimously.

There being no further business, the Commission set its next meeting date as 20 March 2016 and Ms. Marion Baker moved the meeting be adjourned and Ms. Haskell seconded the motion. The motion passed unanimously.
