SATURDAY, MARCH 12, 2016 – 9:00AM

MAR 21 '16 AM 8:19

Present: Mark Andrews, Ernie Esposito, Barry McCloskey, Jeff Stewart, Mike Volpe, Mary Pat Wickstrom
Not Present: Susan Arena

I. CALL TO ORDER

Mary Pat Wickstrom welcomed the committee and public, briefly reviewed the proposed agenda, and invited Jeff Stewart to introduce himself.

II. NEW/OLD BUSINESS

1. Power Generation Plant Presentation/Visuals

Mr. Charles Doherty and Mr. Jack Arruda with EMI/Next Gen were present and discussed the power generation plant. Discussion included the immediate need to secure a bylaw change to allow for the permitting process to continue; details about the need for new plants in New England; why the Uxbridge site has been selected; and an overview of the proposed facility.

• Public Input/Discussion

Several members of the public addressed the EMI/NextGen representatives and committee members regarding a variety of topics, including emissions; water and oil usage; product handling and containment; visual and auditory impacts; and long term effects.

III. MEETING MINUTES

MOTION: I, Mr. Andrews, move that the committee approve the minutes for the February 29, 2016 meeting as presented. Seconded by Mr. Esposito, the motion carried 5-0.

IV. ADJOURNMENT

MOTION: I, Mr. Andrews, move that the meeting be adjourned. Seconded by Mr. Esposito, the motion carried 5-0.

At 11:17am, Mr. McCloskey adjourned the meeting.
