Other Staff Present: Terri Booth-Desmarais (TB)

1. Weed Control – DL discussed weed treatment options with Dominic (ACT). Paperwork to be filed with DEP. NOI is in place with ConCom. In the June timeframe, will look to perform weed inspection.
2. Meeting Minutes – Motion by DL to approve 12/8 and 1/12 meeting minutes as written. Seconded by EE. Approved 3:0:0.
3. Concom/PPRC meeting – Feedback from Concom: a. Need to eliminate any future delivery of woodchips. DL to work with DPW to spread remaining amount/add wildflowers to naturalize. b. Request PPRC to develop plan for storm water control for the parking lot project. c. Introduce shower stalls; likely will not look to implement this idea. d. Need to change type of sand for any future deliveries. Need more detail from ConCom as to what type of sand is required for the beach area.
4. Parking Stickers – DL to order parking stickers in the next few weeks. Finalize color/design. General discussion as to if we should consider use of magnetic card readers; idea would not be implementing for the time being.
5. Swimming lessons – Same approach as prior years, to be held at Lake Nipmuc. Uxbridge residents will receive in town rates.
6. Swing set – Need to fix broken seat. EE to research in finding replacement.
