I. CALL TO ORDER 5:00 PM

There was general discussion on the ongoing work to the Pout Pond building. Some progress has been made but things are moving slowly. Issue with window needing to be made with tempered glass, research whether glass can be replaced in unit or new window needs to be ordered.

There was discussion about beach attendants and their final working day, will have them there until Labor Day unless they want to finish up sooner, Cindy will be reaching out to them to find out their last day will be.

General discussion about how well things went during the summer, that there was only positive feedback. Discussion about opening gates and bathrooms on weekends through the month of September with final clean up and closing the weekend of October 1st.

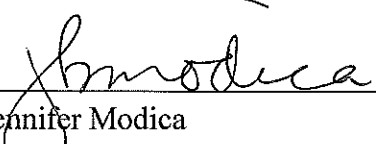

A last minute decision was made to have a final band play at Pout Pond on Sunday August 22nd, Knuckleheads (group of siblings) and the cost is \$200. Motion made by Cindy and seconded by Jennifer to approve the band, approved (3-1) Tammy expressed concern that we don't normally do events this late out in the season.
