*To support proposed Dog Park, to be located at Sutton Street (100 acre lot), location to be determined, highly contingent on the following conditions:

- A. Input into exact location by Rec Commission
- B. Design Phase
- C. Doesn't interfere with existing/future athletic venues/fields – Rec commission has been requesting additional athletic fields at this location for many years
- D. Accommodates future parking for all recreational needs, including dog park

Motion made by Tim Devlin, seconded by Paul Paulino, passed unanimous
