- Treasurer reported that no check has been received yet from the Central Mass 30+ league which they said they were sending a month ago. Tim will follow up. Mark also noted the issues of soccer balls being kicked onto the playing field during youth football games and the fact that players or spectators could be hit or run into during those games.

- Resident Mary Beauchamp reached out to the URC to see if we would formally support her efforts to pass a Community Preservation Act (CPA) which could provide funding for the town recreational activities. The URC voted to formally support the CPA with the expectation that the program would provide a source of funds to expand and improve on the town recreational and athletic facilities that we have continued to highlight the need for. Motion to approve by Don Spencer, 2nd by Chris Shaw, passed unanimously.
- Motion to adjourn at 8:30 by Mark, second by Chris, passed unanimously
