Ben Sherman to send Toll Boot Drive Policy to Michael Szlosek so he can make a few changes and will return next month so the Public Safety Committee can review and recommend it to the Board of Selectmen. Peter Demers questioned if the town would be responsible for the liability if someone is injured during the drive. Michael Szlosek will add "anyone engaging in the activity assumes the risk related to the activity." Scott Freitas would like the police department to have the authority to shut down the boot drive if policies are not being followed.
