- **Motion made by Scott Freitas and seconded by Ben Sherman to recommend to the Board of Selectmen that she not be allowed to conduct a Boot Drive for this purpose. Motion was 2-1 Scott Freitas and Ben Sherman yes, Peter Ostroskey,(opposed).**

Members felt that although they did not agree on this matter if she is not satisfied with this decision she can still go before the Board of Selectmen for approval. The final decision falls within the jurisdiction of the Board of Selectmen.

The Public Safety Committee revisited the wording of the Application/Permit for "Boot Drive" fundraising that was submitted to Michael Szlosek from Ben Sherman. The Public Safety Committee reviewed and changed wording, Ben Sherman to revise the forms and resubmit the policy and application to Michael Szlosek with the changes that were discussed.

#2. Sign Policy request from Town Clerk for Deaf Child sign on Cross Street.

Discussion held and the Public Safety Committee decided that these requests will go to the DPW and not the Public Safety Committee. Purpose for signage's coming before the Public Safety Committee would be for recommendations to the Board of Selectmen or the regulatory signs.

**** Scott Freitas made a motion seconded by Ben Sherman, that except for regular signs all other non-signage requests shall be addressed by the Department of Public Works and not the Public Safety Committee. All approved.**
