Meeting Postings:

Except in an emergency, a public body must post notice of a meeting at least 48 hours in advance, excluding Saturday's, Sunday's and legal holidays, except in emergencies.

"Emergency" is a sudden, generally unexpected occurrence or set of circumstances demanding immediate action.

- * In an emergency, a public body shall post notice as soon as reasonably possible prior to a meeting. Notice must include date, time and place of meeting.
- * Must include listing of topics the chair reasonably anticipates will be discussed at the meeting.
- * Topics must give enough specificity so that the public will understand what will be discussed.
- * Public bodies are encouraged to update the notice when aware of new topic within the 48 hour period before the meeting.
- * Chairs should not post notices so far in advance that there is a high likelihood that new topics will arise, unless the chair updates the notice with any such new topics 48 hours in advance of the meeting.
