3) NEW BUSINESS:

- Richard discussed the update on new laws regarding the overlay account. Richard discussed the Warrant Article of \$40,000 for Measure & Listing process. Richard delivered the necessary paperwork to the proper departments to have it put on the spring town meeting, but it was not in the Warrant that was printed. Richard researched why it isn't in the warrant and was told by the Town Account not to worry it will be discussed on the town meeting floor as an adjustment to the budget. No explanation as to why it was omitted has been provided to this department
- Richard mentioned the notice that the office received yesterday, March 24th in regards to the upcoming Economic Summit. The summit is Saturday March 27, 2010, from 8 a.m. to 2 p.m. at the high school. Three topics are to be discussed – housing, community, and financing. It appears that 600 people were sent notices and you need to RSVP to Sue Greene. No one at the meeting had received any notice of this as yet.
