### NITROGEN PUBLIC HEARING

6:00 p.m. Chairman, Lisa Irish postponed opening the meeting until 7:27 p.m. due to the large residential crowd which continually poured into the auditorium hoping to address the proposed regulations by the Board of Health to reduce nitrogen emissions in Wareham's waterways. Chairman Irish then turned the meeting over to town counsel, Jason Talerman. Attorney Talerman stated there was a capacity problem and after the lengthy discussion with fire officials and the board members, the meeting would be postponed until a later date. Board member, Glenn Monteiro made a motion to adjourn at 7:28 p.m.
