Harbormaster / Shellfish Constable

MRC Minutes - Meeting 8/10/11

Chairman Tramontozzi opened meeting at 7³⁵ pm.

Present: Frank Tramontozzi, Alan Slavin,

Dave Begley, Dick Wheeler, Linwood Gay + Frank O'Brien

Absent: Craig Schluter and Garry Buckminster.

Minutes of MRC meeting 7/13/11 presented. Motion made to accept; all supported with one abstention.

Copies of Community Preservation Committee's invitation to attend their meeting of 8/24/2011, 6³⁰ pm - Town Hall Auditorium provided members.

Chair presented Dick Wheeler's concern (and that of all MRC) that Emergency Storm Preparedness Plans should involve not just the cooperation of Town departments but it is equally important that nearby Towns plan to work cooperatively with one another.

A member asked if marinas had organized plans to meet hurricane effects.

Alan Slavin reported on his visit with Lt. Comdr. Mulgrew at Mass Maritime Academy. She told Alan students have some weeks in winter and summer without classroom obligations and seek practical employment experience in marine fields.

Alan asked about possible internships at our Harbormaster's office to assist; examples - information gathering of data from fresh water ponds (to be part

(over pl)

of a fresh water Harbor Mgt Plan, and (b) some as possible summer assistant harbormasters, etc.

MKC believed effective synergism could exist, but would entirely depend on the harbormasters opinion. Alan will speak to Garry about the matter as his office would manage the interns. Cost to the Town for about 6-7-8 weeks about \$1800. =.

The Chair and members agreed, information should be in the updated H M P. stressing the serious and dangerous effect warming waters and potent hurricanes could inflict on the Town.

Motion made, vote unanimous, meeting adjourned at 8²⁹ pm.

Next meeting Sept 14, 7³⁰ pm, Rm 227 - Multi Service Center.
