Harbormaster / Shellfish Constable

MRC Minutes March 9, 2011

Chair Tramontozzi opened meeting at 7:37 pm.

Attending: Frank Tramontozzi, Craig Schluter, Alan Slavin, David Begley, Frank O'Brien, Robert Dick Wheeler, Bob Barry.

No mail received. Minutes of 2/9/11 MRC minutes accepted after these corrections: (1) altho MRC majority was taken on 2/9/11 that MRC minutes will be compiled on a rotational plan by each regular and associate member (MRC Chair excluded). Another vote taken 3/9/11 confirmed that of 2/9/11. (2) Corrections were made re: pg 2, of 2/9/11 of a date and spelling of several names.

NOTE Underhill has in storage all of updated H.M.P. disc & updated narrative etc. Thank you Dave and Alan for good work done. Each member present received copy updated H.M.P. Please read through prior to April meeting for errors etc. Changes to original H.M.P. are in lighter print.

Alan to send to Frank T. when possible, updated charter and tables. Chair found members such as list info as part of posting for April meeting. (Table of contents to be completed when all other data arranged first).

Harbormaster Buckminster is compiling data, within his knowledge, helping complete tables etc for H.M.P. update - hopefully ready April meeting.

Alan made appointment for MRC to meet with B.O.S. Tuesday 3/15/11 @ 7pm. On such short notice some members may have previous obligations.

Alan reported some money maybe available from SRRPED to complete printing of H.M.P. and also for projected Fresh Water Studies by MRC. Alan to check with Town Administrator on matter.

A member asked about Bob Barry's MRC membership. Frank T. will try to address issue.

Dave distributed to members copies of "No Adverse Impact" (N.A.I.) from Coastal Zone Management. It contains ideas

(over)

"to protect people and property" during extreme ocean storms. Reference: google earth. rising salt water. com.

F. O'Brien referred to Dick Whelan's concern of 2/9/11: rising salt waters resulting from atmospheric weather changes. Concerns of members: updated if M.P. should state MRC's concern about these issues.

F. O'Brien to contact Coal. of Buzzards Bay if any work by the Coalition has occurred.

Meeting - voted unanimously ^{to} close meeting at 8:42 pm. Next meeting: Wednesday April 13, 2011, 7:30 pm. - 'MS Costa' - room 227.

Frank E. O'Brien
