

Town of Wareham

Marine Resource Commission meeting

Minutes of the meeting for February 13, 2013

Members attending were Frankl OBrian, Lin Gay, Donald Jepson, Warren Hall, Gary Buckminster.

Marjorie O'Brien and Michael Campbell present representing citizens of the community

Donald Jepson chairs meeting

There was no mail received,

Warren and Donald brought members up-to-date on the progress made at the last meeting using computers to edit 30 pages of the HRC report

Donald spoke with a representative of the present state commission asking for their help in reviewing some highlighted data in the report to see if it is up to current standards. They agreed to review some of the Data to see if it is substantially changed

^{Don}
~~John~~ Jepson shared his experience at the ocean exploring in lectures where John Bullard spoke on current fishing limits. Highlighting a problem of CO2 making the oceans ascitic potentially being a problem for the low fish quotas. Donald presented a few very interesting newspaper clipping

^{GARY}
~~Terry~~ Buckminster offered to make New letterhead. And shared more about the plan for expanded floats at Tempest knob boat ramp

Gary also shared his findings And discovery tour of the Depleted wareham oyster beds He's had meetings with the mass day? In the Duxberry?

He is planning purchase 500 K of that to be placed in an upwelling on Onset here for the month or so and then go out into the wild in June. Remaining in the cage system created by Foister-bro. They are also going to try to grow some Wareham oysters in Duxberry *Oyster Grow*

It was suggested to meet Additional times a month separate from the regular meetings to catch up and finish the HRC report

The December 13 and January 9 minutes of the meeting were distributed reviewed and voted upon. All were in favor

A member was approached by a citizen stating that the oyster restrictions were overreaching

Lynward gay propose to adjourn the meeting and it ended at 9 PM

next MRC meeting Wednesday March 13, 2013
Multi Sew. Cth (FEB)
