Marine Resources Commission Minutes - Meeting 4/10/13.

Chairman Hall opened meeting @ 7⁴⁰ pm.

Present: Warren Hall, Don Jepson, Dick Wheeler, Frank O'Brien, Harbormaster Buckminster, Citizens: Marjorie O'Brien and Michael Campbell.

No mail had been received.

Lacking a suitable projector, attempts to further upgrade Harbor Mgt Plan was not considered feasible at this meeting. MRC will make efforts to get use of a suitable projector at our next meeting. Brief discussion: possibly locate such device on E-Bay; MRC members "chip" together its cost?

Members discussed briefly possible Conflict of Interest for any MRC members ex: professional shellfisherman, being involved in a related issue before MRC.

Chair Hall, succinctly to effect - commented: MRC needs experienced advice and should not be separated from same. In such cases, it is expected individual MRC members will "recuse" themselves. It was pointed out, as it has over many years: MRC does not decide any financial expenditures or implement any Town regulations. MRC is strictly, an advisory body only to B.O.S. MRC will address this issue in the future.

New "Town" MRC letterheads will be available (hopefully) at the next regularly scheduled meeting - letterheads preferably top border in color?

MRC will discuss and likely issue ~~an~~ at a later date

(Turn over)

(2)

an advisory letter to B.O.S., ref: issue of amalgamation of Harbormaster office with Town Police Dept.

Full vote of approval: MRC
adjourned at 9¹⁵ pm.
