Wareham Town Hall

Present: Angela Dunham (chair), Peter Teitelbaum, Sandy Slavin (clerk)

7:12 – 8:10 meeting

Minutes from 8/12/10 were accepted as read. 3-0-0

*Seven letters were sent to abutters that have encroached into the Minot forest. Need the letter to the condo owners and the off stillman drive owner. Mr Sanguinet owes the committee a 9th letter for the condos on Minot Ave. John Sanguinet and Peter visited the Stillman Drive location on 9/16.

*Sandy made a motion to have JC Engineering to redo the bounds on the off Stillman Dr property and to install cement markers to define the bound (map 40 lot 1016, NE bound.. This would be funded by the CPC survey grant. Approved 3-0-0

*Peter will send the members a draft of the Stillman letter for review and individual comments. Copy will be sent to TA. Peter will represent MFC in all discussions with TA. John S suggested two rows of boulders to placed on the road behind the Stillman property leading to the cemetery.

*Minot forest CR was discussed; Peter reviewed the freedom cranberry CR and indicated that it was not easily transferred to minot's cr. Question, do we have to have a cr if no cpc funds were used to purchase the property? Can two town committees hold the cr – minot and con com? Angie will contact TA for answer to 2nd question.

*Angie will look at the dead trees she can see from the river.
