

WAREHAM RECYCLING COMMITTEE

Town Hall – 54 Marlon Road

Wareham, Ma 02571

Minutes

September 20, 2012

The meeting opened at 7:05 pm. In attendance were Jennifer Gady, Jack Dixon, Wanda Savery, Allyson Wade and Marilyn Russell, Coordinator. Guests in attendance were Sara Tyma and Earl Russell.

We could not approve the August minutes due to the fact that the secretary was absent from the meeting.

Jennifer and Allyson showed the power point presentation that they prepared. The committee made a couple of small changes to the presentation. We may use this tool for the BOS meeting.

Jack read off the figures from the Town Budget and the Revolving Fund. We are holding our own at the present due to the donations brought in throughout the summer. As the bottle/can donations decrease our revolving fund will diminish.

The coordinator reported that a warrant has been submitted to be voted on at the October Town Meeting. She mentioned that it is important that all committee members and volunteers attend this meeting.

She also submitted the information to be inserted in the Annual Town Report.

Our recycling flag has been ordered and hopefully will be flying by the end of the month.

Jack asked if the coordinator could ask the JROTC to come to the recycling center to clean up some overgrown brush. She will contact them.

Meeting adjourned at 7:45pm.
