MCAS Discussion with Principals

Present were Principals Seamans, Panarese, Gilmore, and Palladino, Clinical Coordinator Miranda, Director of Student Services, Mr. Louzan, Director of Curriculum, Mrs. Rotella, and Director of Operations/Finance Ms. Miranda.

The workshop's purpose was for principals and committee members to discuss our latest MCAS scores and the state of education within the public schools. Everyone was asked what they would do with more resources. The consensus from most administrators was that more learning time was needed as well as additional staff and materials.

The workshop ended at 6:50 p.m.
