Motion to approve the policy as presented made by Christine Cinelli, seconded by Barry Rabinovitch. Motion passed unanimously.

2. **Residency Regulations**

A new caregiver form was developed under the law authorizing a caregiver the designation on the parent's signature. Dr. Rabinovitch explained that the caregiver form allows the district to work with the caregiver in the best interest of the child.

3. **Transportation of Drivers' Children**

There was discussion on liability issues, personnel issues, the number of drivers this involved, and the date of an effective policy change. The committee tabled this policy to the next meeting and invited the transportation manager to attend for his input.
