

Meeting Minutes
May 13, 2010
Washington Energy Committee

Attendees: Al Krygeris, Lindley Rankine, Johanna Young

- Engineer came last week and took data, He will submit a report in a week. Ed Thayer took measurements. Cost of analysis is \$2,500
- The report from the audit has come back and a pink powder was discovered in the walls. It was probably formaldehyde. They are testing the powder to make sure it is not toxic, but it is unlikely that it is in its powder state. It has probably "off-gassed, " said Krygersis.
- Al registered himself and Johanna for the upcoming Local Energy Conference on June 19th.
- For the booth for Old Home Day, Bob Fraser will ask his brother who works for a utility company to get brochures we can hand out. Johanna and Al will also look for information to give out at the local energy conference.
- Al has collected (with help of Michelle and Bob) all the data needed for energy usage of the town for 2009. It just remains to be inputted.
- Bob has been reappointed to the committee.
- Discussed having another green film night this summer, but have not yet set a date.

Meeting adjourned at 7:45 p.m.

Respectfully submitted by,

Johanna Young, Committee Chair
