

Washington Energy Committee Minutes
August 2011

Present: Al Krygeris, Bob Fraser and Johanna Young

Old Business: Al will host John from Peregrine on the 16th from 10 a.m.-3 p.m. to look at buildings. Johanna to call to confirm. Al will meet him at the Town Hall.

Al sent an email to TRC about whether the elementary school has applied for audit, but got no answer. He reports he is unsure if the school has applied.

Button-up: Bob will contact Cool Air Cool Planet to see if they would be interested in us hosting another button-up sometime in October. We could also reach out to surrounding local energy committees, if we host.

New Business: Al suggested we publicize the rebate for the hot water system.

Johanna gave information to Al on a discussion series on local agriculture, called *Menu for the Future*.

Respectfully submitted,

Johanna Young, Secretary Pro Temp
