

Washington Energy Committee Minutes February 9, 2012

- Jan. Minutes approved as written.
- Old Business:
- Bob has been in touch with Denise from Button-Up and we are set to host, but need to pick a date. Johanna gave some possible dates: first priority – Sept. 12 or 28th. If it needs to be earlier than May 15th or May 29th would work. Bob will follow-up and also be in touch with local businesses that might want to be there to do demos.
- School – John Highland, head of school board, said the WES will have a surplus and could put in the insulation this year with the excess. The School Board will be meeting with the auditor on Feb. 17 (date to be confirmed).
- Town Meeting – bring in gizmos and brochures about energy saving for display.
- The Town Garage is asking for a wood furnace, \$33,000. Al notes that gasification is very clean.
- No new business.
- Meeting adjourned at 7:45 p.m.
- Respectfully submitted,
- Johanna Young, WEC Chair
