

DRAFT Washington Energy Committee
November 14, 2013

Present: Johanna Young, Al Krygeris and Andrew Hatch

- **Old business:** Al has dug out 2011 PU data to enter in the Port Folio manager.
- Discussion on possibility of applying for a small grant from small grants coalition. Johanna mentioned the WCC once thought of applying for a grant for a booth on energy retrospective for Old Home Day.
- Andrew reported that the New Era energy bills are lower, but give 100% alternative energy.
- **New Business:** Some discussion about a questionnaire the committee of the planning committee.
- Nhenergy.org has some good information on energy issues in its archives.
- Discussed ethanol and EPA renewable energy standards.
- Discussed what to put in this year's town report. Johanna will write it and send it around for input. It's due in December.
- The committee plans to do a short survey at town meeting and have a raffle for those who participate.
- There will be no December meeting due to the holiday rush.

Respectfully submitted,

Johanna Young
Washington Energy Chair
