

Washington Energy Committee Minutes

February 19, 2015

Present: Al Krygeris, Andrew Hatch, Johanna Young

Old Business

- Local Energy Committee Conference – Al and Andrew are going. Al will check to see if Scott would like to go. They will register on-line and have Michelle send a check.
- There are no updates on the Town Garage Solar Array.
- Al will follow-up with Anne from Ever Source (formerly PSNH) for the Smart-Start project possible for the town, and also to see if she can find data we could copy directly into Port-folio manager so the job of updating the database is easier for Al. Anne was supposed to see if Camp Morgan is worthy of an audit. **Al will send her an email to follow-up.**
- As of 2/19 Mr. Rob of RECOVER, VT had not responded to Andrew's calls. The WEC would like him to visit the Committee to provide training on weatherization projects for Washington Warm Neighbors. **Andrew to follow-up with him.**

New Business:

- On April 28, a Tuesday, the 8th Annual Upper Valley Energy Committee Roundtable will take place at the Montshire Museum in Norwich, Vermont. Al and Andrew are planning to attend.
- Andrew will prepare and deliver a brief message at the Town Meeting on March 14th.

Meeting adjourned at 8:20 p.m.

Respectfully submitted by,

Johanna Young
