

WASHINGTON PLANNING BOARD
Site Walk Minutes

May 12, 2012

Members present: Lynn Cook, Nan Schwartz, Jim Crandall and Tom Marshall

Alternates present: Jean Kluk

Absent: Lionel Chute, Steve Terani

Public present: Shane Mulliner

We met at the Town Hall at 4PM, and drove together to Shane Mulliner's property at 393 Faxon Hill Road.

We were shown the property by Shane Mulliner, who answered our questions about his property and logging/cordwood business. We compared the map provided by Mulliner for his Site Plan Review application to the conditions we found on site. Schwartz took pictures of the property and notes on the visit.

The site visit was adjourned at 4:35PM.

Respectfully submitted,

Nan Schwartz
Planning Board Secretary
