

Washington Planning Board
Working Session on Town Owned Lots and
Vote on business permit
Minutes - Thursday August 9, 2012

Assembly time 12:30PM

Attending: Tom Marshall, Lynn Cook, Jim Crandall, Jean Kluk,
Michelle Dagesse and Nan Schwartz

Public: None

Cook presented the business permit for the SBA cell tower that was part of the Site Plan Review Application we approved at our meeting and public hearing on July 3, 2012. We neglected to act on the business permit application at that time, so we were taking care of it today since we have a quorum present.

A short discussion followed. Cook asked for a motion to approve. Marshall made a motion, Crandall seconded it, all voted in favor to approve the business permit.

Cook signed the permit and Dagesse will forward the permit to the applicant.

Motion to adjourn made by Marshall, seconded by Schwartz.

Adjourned at 12:40PM.
