REPORT OF SCHOOL BOARD.

During the past year schools have been maintained in town as follows: Spring, four terms, Fall, four terms and Winter, two terms. In the several schools six different teachers have been employed and sixty-two children have attended.

Only one school has been maintained in the east part of the town through the school year. Two each in the Farnsworth and Wilcox divisions.

We believe it a wise plan to unite the schools and secure good teachers, rather than maintain a school with a poor teacher, because it may be done at a less cost.

A winter term has been maintained in the two villages and all the scholars in town allowed to attend.

We herewith append items of different schools, together with roll of perfect attendance for each.

Respectfully submitted,

M. H. DOLE,
C. W. J. FLETCHER,
