A. C. when requested by the State.

c. To see if the Town will vote to raise and appropriate either of the above two sums and vote to transfer them by an Act of Legislature together with the other sums named above to a State Aid Reconstruction project on Route 31 and authorize the Selectmen to withdraw the Capital Reserve for S. ## SUPERINTENDENT'S REPORT

---

To the School Board and Citizens of Washington:

The enrollment at the Washington Central School increased from an average daily membership in 1955-56 of 20.3 to 33 at the opening of school this fall. Since then it has been reduced to 28 which appears to be the constant figure for the year. Registration as of this writing is as follows:

Grade 1-2	Grade 5-3
2-3	6-4
3-2	7-3
4-6	8-5

For several years now Washington has been fortunate in the amount it has been required to pay for high school tuition. For the school year 1957-58 it appears that there will be a decided increase in the number of pupils attending high school from Washington and this will be reflected in this year's budget. That number can now be expected to increase for at least three years more.

The per pupil cost for Washington Central School pupils for 1955-56 was \$334.72. This is a very modest figure when comparing it with similar schools in the state.

The noon lunch program under the very able management of Mrs. Elsie Fletcher and Mrs. Dora Newman continues to be one of the many bright spots in this school. The community spirit which prevails in working for the success of this program is wonderful to see.

New arithmetic books have been purchased for every grade this year and it is planned to change another outdated set next year. Your board should be complimented for handling this problem in this way—because it saves a large expenditure in any one year.

Again, I am happy to have the opportunity to express my appreciation to the School Board, the teachers, citizens and pupils of Washington for their fine cooperation during the school year.

Respectfully submitted,  
**NORMAN R. HARTFIEL,**  
 Superintendent of Schools
